THANK YOU to all parent volunteers who agreed to help prep and serve a meal!

The week prior to your serving date, the confirmation meal committee member you're paired with should be contacting you to discuss who will make each part of the meal, handle set-up/clean-up, etc. If you would like to plan ahead further than this, feel free to contact them proactively to hash out the details!

Reminder: *Keep the receipts for any food/items you are asked to purchase for the meal and you will be reimbursed from the confirmation meal fund the night you serve. Please keep in mind that we only charge \$3 per serving and must pay for the cost of the entire meal... so we have to watch our pennies when deciding which brands/items to purchase ☺*

Bonus: *On the week that you serve the meal, your confirmation student gets to eat free - THANK YOU for helping!*
